1. For God so loved us while still sinners Christ became our sacrifice.  
2. The joy of God is overflowing from Himself through all the land.

God is love He convers many clothes us like His child. His  
There is joy but it can only be hung from His hand. With

steadfast love endures forever age to age He will not blanch.  
ev'ry step the Word commands us God's great peace should rule our lives.

Love the Lord and love your neighbor by his love we live.  
Peace from God will guard us fully if we rest in Christ.

Sing praise to the King who freed you to Him do you belong.

We can't help but bear the fruit of Christ Jesus, Lord of all.

He shows us the life worth living grants lives of righteous yield.

Due thanks to the God who changed you, to Him alone you kneel.
