F C G/B Am G/B
We seek to ask of thee no more
F C G/B Am G/B
Your love is sure and this we see
F C G/B Am G/B

v2.

Please forgive the offerings
We bring to you with hearts, unclean
You ask of us to give full hearts
To test your boon to impart

v3.

Please forgive this pompous pose
We sing not with pure wonder shown
Your holiness of us demands
Pure lives to seek your command

v4.

Please forgive from mercy's store
We seek to gain, and gain still more
Your hand is hard on evil ways
And wicked men turn not to grace
