CH:

                  G  
There is now  
                          D  
No condemnation  
                  C  
For those in Christ, Lord Jesus

The law of life has freed us.

v1.

G                          D  
For God has done  
                                  C  
What the law, weakened,

Could not do, in flesh

                          G  
By sending His Son  
                          D  
Like sinful flesh

                  C  
As an offering

Sin found condemning.

v2.

We do not walk  
According to flesh  
But by the Spirit  
In order that all  
Might fulfill what's  
Rightly required  
By the law's writer.

v3.

Adopted sons  
Cry "Abba Father"  
Testifying by  
The Spirit of God  
Preaching to hearts  
We are His children  
Heirs, in suffering.
